

Good afternoon Hornet families,

Tomorrow, Monday, September 26, is a Teacher Workday and there will be no school for students. We will see all the students back on Tuesday by 8:30.

During arrival on Tuesday, we will begin using the Evolv Scanners, which are purposed with ensuring no prohibited items are brought into our building. The Evolv Scanners will help create added security for our students, staff, and visitors. Students watched a short video showing how to properly move through the scanner on Friday. Tomorrow, you and our students will receive another message specific to our procedures with the Evolv Scanners. The student message and video will be on their Canvas account.

Thank you to our families who showed up for our School Improvement Team Meeting and Curriculum Night last week! We need sixth and seventh grade parent representation on our SIT and PTO. If you are interested in joining, please email [kimberlyj.hazel@cms.k12.nc.us](mailto:kimberlyj.hazel@cms.k12.nc.us) . As mentioned at Curriculum Night, families we need your help with making sure students spend time practicing for ELA and Math each night. For reading, students should be reading nightly. They have access to books through the CM Library and can even check out digital copies of books. In math, please be sure your child knows their facts. This includes multiplication, division, fractions, decimals, and integers. Nightly practice at home is easy and will create another opportunity for you to support academics. Thank you in advance.

On October 1 from 9:00 – 11:00, ARMS will have our annual ARMS in A.C.T.I.O.N. campus beautification! Please save the date and bring your family! Also, you are invited to order your ARMS in A.C.T.I.O.N. apparel between September 20- October 3. You can choose from two designs offered in short and long sleeve t-shirts, as well as crewneck and hoodie sweatshirts. See our school website or the link in this email for details. We would love to have you wear your ARMS in A.C.T.I.O.N. gear during campus beautification on October 1. <https://www.agpestores.com/signature/groups.php>
