

Good afternoon Hornet Families,

Thank you for a great first week back! You have been engaged and following through at home and we appreciate you for that.

Tomorrow is Labor Day and there will be no school. Students will return to school on Tuesday, September 6, which will be a B-day.

Last week, we sent home your PowerSchool letters but there appears to be a glitch that needs to be fixed. We are working on it. If you have not been able to access PowerSchool, do not discard your letters. We will get a remedy and let you know when it is complete. Thank you for your patience.

This week, tryouts for cheerleading, football, volleyball, and softball will continue. Only students with a valid athletic physical and who have already began tryouts need to attend. Rides should be on campus by 5:30. Our sports season will begin next week.

Students who returned their signed Chromebook agreement will receive Chromebook this week. Chromebooks will come home nightly and should be charged. Chromebooks are the student's responsibility and they should be careful to store it and use it appropriately.

We are still looking for membership on our PTO and School Improvement Teams. Please call the school if you are interested or email me at toni.perry@cms.k12.nc.us.

Our first Curriculum Night is scheduled for September 22 at 6:00pm. More information is to come but please mark your calendars. During Curriculum Night, families learn more about the curriculum and have opportunities to experience classes the way our students do daily. We would love to see you all here on September 22 @ 6:00.

Remember to follow us on Instagram (@arms.ib.academy), Facebook (Albemarle Road Middle Academy), and Twitter (@AlbemarlRdMS) for the latest updates.

Have a restful Labor Day, Hornets!

We will see you all back on Tuesday!
