

We couldn't let you go without these last few notes...

A final note from our PTSA President

I would like to start off by saying a huge THANK YOU to all our Bailey staff, parents and students.

What a great year it has been, and with all your support we were able to accomplish so many things. We had more than 1500 members and over 50 committee members on our PTSA for 2014-15. With all of us working together, we were able to plan and implement such things as the Bronco Round Up, Back to School Picnic, Character Education, Honor Roll, Take your Family to School Week, International Night and Teacher Appreciation Week, just to name a few. None of these events could have happened without the support, funding and countless volunteer hours from YOU, our PTSA members!

Finally, kudos to Mr. Thomas for being such a great leader at Bailey Middle School. His dedication for our school, staff, students, families and PTSA is much appreciated. We are a lucky school to have him.

If you need to contact me or have any questions during the summer, please feel free! I look forward to seeing and working with everyone next year. Have a great summer break!

thank
you!

Go Bailey Broncos!

[Erica Barozzino](#)

Bailey Middle School PTSA President

Summer reading novels available at the BMS store

Summer break is right around the corner... The pool! The beach! The backyard hammock! So many sunny spots to get your reading on, and the Bailey store wants to help you get started. We're open each morning before school through June 9, or until our 50 copies of each book sell out.

The required summer reading novels for our rising 7th and 8th grade Broncos are as follows:

Rising 7th	Legend, by Marie Lu	\$10
Rising 8th	The Alchemist, by Paulo Coelho	\$17

Great news for rising Freshmen

Hough High School is excited to announce they will be receiving Chromebooks for every 9th grader to use in their classes for the 2015-2016 school year.

If you were planning to purchase a laptop or other device for your rising 9th grader to use, you can mark that off your "Summer To Do" list. However, these Chromebooks will remain on campus so students will not have access to use them at home.

Summer Support with Compass Learning

All CMS middle school students can log-in to CompassLearning as they did this year and receive their individualized learning path from NWEA/MAP testing.

Guided by research. Propelled by fun.

[Click HERE](#) to access the flyer that can be used to help students log-in from home.
