

“STOP AND THINK”

On Friday, June 5, 2015, Bailey 8th graders will take part in an assembly called “Stop and Think”.

The Stop and Think Campaign is sponsored by Angels of '97 and seeks to encourage good decision making in youth. We are fortunate to have two speakers willing to come to Bailey to talk with our rising 9th graders and share their stories.

Sonshine Watkins will speak about surviving her devastating car accident when she was hit by a texting driver, and Al and Sue Huntz will speak about speeding and the loss of their son Matthew in 2004.

We invite you to come and share this experience with your child if you are available to do so. The assembly will begin in the cafeteria at 9:30 and will conclude at approximately 10:15. Students will be working on a reflective writing assignment in their language arts classes later in the day as a follow up to this assembly.

A letter will be sent home with 8th graders on Monday, June 1st. If you do not wish for your child to be part of this assembly, you may opt out by completing the bottom portion of the letter and having your child return it to their homeroom teacher. Please feel free to contact Ms. Klemm at karen.klemm@cms.k12.nc.us or 980-343-1068 if you have any questions.
