Happy Friday and back to school greetings Bronco Families!

I have included Thomas' weekly Top 5 below that you will see each week. The Bronco Times is a great way to stay up-to-date on what's happening at Bailey, as well as links to documents or information that is important for our families.

Thomas' Top 5

1. Please use the link below to complete the Bailey Online Blue Card if you have not already done so. This will provide us with all of your student's contact information. Please look at the attached policies and then sign on the form acknowledging that you have read and understand these.
2. Our Bronco Round-Up for 6th grade families and Open House for 7th & 8th Grade families will be held next week. Please look at the attached document showing days and times for each group.
3. PTSO has set up an online link to pay the annual \$30 student fee. This covers your family's PTSO membership, cost of the student agenda, cost of each student's iXL license in Math and Reading, and a small amount going towards our PTSO Capital improvement funds.
4. We released student schedules in PowerSchool this morning for parents and students to review. If you want to request a schedule change or see a problem with your schedule, please use the link below to send that

information to us. We are not accepting email, phone, or in-person requests.

5. School, student, and staff safety is certainly our number one priority. CMS has added full body scanners at every middle and high school to help prevent students and visitors from bringing items on our campus that would create a safety issue. Our scanners have been installed and we will begin using them daily the week after Labor Day (second week of school).

I look forward to seeing all of our new and returning Broncos next week at Bronco Round-Up and Open House.

Create a great weekend,
Chad
