Kindergarten Open Schoolhouse:

Thurs., May 1st

Bring your rising kindergartener for a great night of fun and interactive activities for all. This event is designed to introduce the family to Barnette Elementary, a preparatory academy. You will meet the Kindergarten Team, Administrative Team and many other support staff members. They will all be on hand to address your questions in this first, big step for your family and rising kindergartener!

We welcome everyone from our community who are interested in finding out more about what goes on at our campus, what we are planning for and sharing ideas about how we can better serve.

Please help spread the news about these dates and check our school calendar (on the website) often for the most up to date information and details.
