Schedules Mailed

Students paper class schedules were taken to the CMS Distribution Center today for mailing; but, students can see their schedules on Monday, August 10 by logging into their PowerSchool accounts.

Just a reminder that due to the complexities of scheduling this year, there will be no class changes permitted unless your student is a Senior who must have a course to graduate this school year. Thank you for your understanding.

Freshmen Orientation

Freshmen Orientation this year has been pre-recorded and will be uploaded to Butler's website on Tuesday, August 11th to watch at your convenience.

Open House

Open House this year will be pre-recorded as well and will be uploaded to Butler's website on Thursday, August 13.

Chromebook & Supplies Drive-Through

We're thrilled to announce that Butler was chosen to receive brand new Chromebooks for all of our students - both in the Full Remote Academy and on the Plan option! All students must:

1. Complete the Chromebook Agreement as soon as possible at: bit.ly/butlerchromebook, and
