

Carmel Cougar Close-Out

To wrap-up this unprecedented school year, we have created a plan for students and parents to drop off school materials they may have at their home and to pick-up materials that may have been left at school.

Students will be assigned times based on grade by homeroom to come to campus for a drive through pick-up/drop-off. **Students and parents will not be permitted inside the building.** DROP-OFF stations will be set up in the main/staff parking lot for materials that are listed below. The bus lot will be for PICK-UP materials. Please follow the map and use the ONE WAY TRAFFIC pattern. If you have nothing to drop-off you may go straight to the bus lot traffic line. We highly recommend wearing gloves and a mask during this process for all involved.

Due to restrictions for social distancing and staffing, please adhere to your assigned time. School buildings are only permitted to be open until 2:00pm to allow for adequate cleaning. There will be a tremendous amount of organization required for this process. **If you have multiple children attending Carmel, please come on the assigned date of the OLDEST student.**
