

## **Chambers High School Dress Code**

Chambers High School administration understands that the dress of students is a reflection of his or her individual preference, self image and potential conduct. Such preferences must be selected within the constraints of reasonable rules and standards that are consistent with the maintenance of an effective learning atmosphere. As such, what may be appropriate in leisure situations may not be appropriate in the school environment. Our dress code is designed to promote a positive, safe and healthy environment with minimal distractions while maximizing school spirit and the potential for serious academic achievement.

Our school recognizes that the parents/guardians are the primary persons responsible for seeing that their student is dressed properly for school. If a student arrives at school and refuses to comply with the dress code, he/she will not be allowed to attend class. Students refusing to comply with the dress code standards are disruptive to the school and face being sent home. Repeated verbal warnings will not be given to those who violate the dress code. Vance High School administration is responsible for implementing, interpreting and enforcing the dress code policy and as such, is the final adjudicator in determining what appropriate student dress for school is.

### **Shirts**

- No Spaghetti straps, off-the-shoulder tops, mesh tops, tube tops or halter tops are allowed
