II. Celebrate recent successes

From Gatewood:

We have 50 holiday dinners for families and 52 gift cards...42 MCV. 10 other Harding students.

III. Review and respond to coaching comments

Greetings NCStars! I hope you are well today. We have a very quick ask.

All North Carolina Targeted Support & Improvement (TSI), Comprehensive Support & Improvement (CSI), and Low Performing Schools (LP) are required by law to submit their school improvement plans to the North Carolina Department of Public Instruction through NCStar. Submission of the school improvement plan will allow the state to review the plan and strategies in place underperforming sub-groups and overall total school improvement.

Plans are due to the state by Saturday, December 4, 2021. If you would, please log into the Indistar platform, and follow the steps below:

Go to www.indistar.org (log into the system using your school's credentials).

Click on "Assess, Create, Monitor" to ensure there are no past due action steps. If there are past due Actions, please go to Step 3. If there are no past due Actions, please go to Step 6. Past due Action steps will have a red triangle beside the Indicator language.

Select the indicator language, for each indicator that has a red triangle beside it. Scroll through your plan to find the past due date(s). The past due dates are likely housed under the Action Steps, but could also be the Target date under the Create and Monitor section of the indicator.

Once you identify where the past due item(s) is, select the language of the Action Step and update the date. At this juncture, I would encourage changing the date to your January SLT date, to ensure your team has an opportunity to discuss the item.

Once you have changed the date, press SAVE.

Select "Home" on the left side to under Main Menu, to take you back to the home screen.

Scroll down on the Home page, locate, and click "Submission"

Beside "Student Success Comprehensive Plan Report-Fall Submission 10/19-12/4), please click the blue Submit button.

Please do not submit any of the remaining forms on the platform at this time.

Should you have any questions, please reach out; I'm happy to support you!
