Happy New Year!

I hope you had a restful and relaxing break. Below are some reminders as we embark on the second half of the school year.

Schools are required to have 2 meetings a month. Agendas and minutes should be uploaded into Indistar with 10 days of the meeting.

Meeting #1 is the School Improvement Team

Meeting #2 may be flexible in function (could be MTSS, Leadership, Committees etc.) There should be some discussion around your Continuous Improvement Plan.

During your School Improvement Team meetings there should be discussing around your indicators, actions and goals (how are you progressing towards meeting the goals and actions set ?)

If you have any questions or if I can assist you in anyway, please don't hesitate to reach out. I look forward to working with you.

IV. Approval of last meeting's minutes

V. Old Business

VI. Indicators to Assess-Create-Monitor

Indicators Assessed

Objectives Planned For

Monitor (updates made)

Wingate:

A4.16: The school develops and implements consistent, intentional, and on-going plans to support student transitions for grade-to-grade and level-to-level. (5134)

Update: A4.16 - next month

Foggie:

C2.01: The LEA/School regularly looks at school performance data and aggregated classroom observation data and uses that data to make decisions about school improvement and professional development needs. (5159)

Update: Based on Core Action Walkthroughs it was determined that teachers were doing the heavy lifting, and students needed more opportunities to have academic conversations. It was also determined that teachers needed support with questioning strategies. We offered Professional Development on Effective Questioning Strategies. We also analyzed attendance data and the Student Services department developed an attendance plan with interventions and rewards for both students and teachers. Next Steps: Analyze Semester 1 Academic performance, Observation, and Discipline data as well as continue to monitor and analyze Instructional and Attendance data. The Goal is to increase Professional Development and Walkthroughs during Semester 2.
