Dear Parents/Guardian,

Charlotte-Mecklenburg Schools is providing a free Summer Bridge Accelerator Program to any eligible rising 9th grade student. The bridge program will emphasize Math I success, postsecondary and high school planning, and social emotional well-being.

Summer Bridge will address critical skill development in math 1, while engaging students in college and career exploration, and helping students develop high school plans that will contribute to college level course-taking and postsecondary attainment. Partnering with the athletic department, this program will also offer a physical enrichment component.

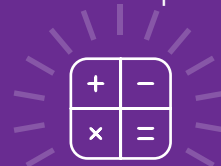

Free breakfast and lunch will be provided, as well as free transportation.
