

HARDING STUDENT VEHICLE PARKING AUTHORIZATION FORM

The undersigned senior high school student and parent/guardian request that the student be granted a parking privilege at the school listed above. The student understands that student parking on the school grounds is a privilege granted to the student and in consideration thereof agrees to abide by the following terms and conditions:

1. The student agrees to obey all state and local laws governing the operation of motor vehicles and all duly established rules and regulations concerning operation and parking of motor vehicles on school grounds.
2. The student agrees that he/she will not bring onto the school grounds nor keep in his/her vehicle while it is on the school grounds any gun, explosive, blackjack or other weapon. The student further agrees that h/she will not bring onto the school grounds any alcohol or other drug not prescribed by a physician or any other contraband.
3. The parent/guardian and student understand that any violation of the conditions set forth in this authorization may result in the termination of this parking privilege and may result in the incurring of monetary fines and also result in appropriate disciplinary action by school authorities or legal action in court.
4. The parking pass will be displayed on the **driver side back windshield at all times while on campus.** **The parking pass will be permanently affixed to the windshield. Use of CD covers for the display of the pass is not allowed.** Failure to display the pass will result in a fine and financial obligation being assessed for the vehicle.
5. The student and the parent/guardian hereby acknowledge their understanding that it may become necessary for school authorities to open, enter and search the vehicle and its contents and to remove any unauthorized articles described above or any other articles which may endanger the health, welfare, or safety of students or school personnel. Any such articles may be retained and used as evidence in disciplinary proceedings by school authorities or delivered to appropriate law enforcement officials at the sole discretion of the school authorities.
6. **Replacement of a lost stolen or destroyed parking pass will be at the student's expense. The cost for such replacement is the same as for a new parking pass.**
7. Fines for violations of parking rules are assessed via tickets that will be placed on the student's vehicle. One copy will be retained in the JROTC office. Prior to receiving a financial obligation the student may clear the fine with

JROTC. After a financial obligation is processed the student will be responsible for seeing the financial secretary to pay the fine. Fines are assessed in increments of \$5.00 for each violation. For example, a student who does not display the parking pass will be assessed a \$5.00 fine for the missing pass and will also receive a \$5.00 fine for the unauthorized parking. This results in a \$10.00 fine for the ticket.

8. Students who fail to register their cars on campus or who do not display the parking tag in the proper place **may have their cars booted**. If this occurs the student must pay an **immediate fine of \$25.00** in order to have the boot removed. **Continued abuse of their privileges may result in the car being towed off the campus and the student/parent/guardian will be responsible for any charges for the towing and storage of the vehicle.**
9. “R U Buckled” is a program that tries to keep student drivers safe by monitoring their use of seat belts as they leave campus. Student drivers who do not buckle up and/or whose passengers are not safely restrained, risk losing on-campus parking privileges. Student drivers and their parent or guardian must sign the agreement before the student may obtain a parking pass to park their vehicle on campus.
