

HURRICANE HOPPERS

Dear Parents and Students,

Welcome! I'm so excited about Hurricane Hoppers! We will have lots of fun learning new jump roping tricks and hopping our way to a healthier heart.

The reason I'm doing this is because I want your child to be physically active and have fun while developing their jump roping skills.

We will start on Thursday, Oct 3rd. Your child will meet me in the gym @ 7:00am. Please have your child bring a water bottle and a small snack. From 7:00am-7:40am we will be in the multi-purpose room to learn about healthy habits and jump roping techniques. Our goal is to be in the North Mecklenburg Holiday Parade in December (date has yet to be announced). We need to be able to jump rope for a long time, so please make a commitment to be at Hurricane Hoppers every Thursday.

If you have any questions please let me know. My email is ann.jarovski@cms.k12.nc.us or call the school at 980-343-1065 and leave a message.

Can't wait for October 3rd!
Mrs. Campbell

Please fill out the below information and return to me by Sept 27, 2013

Hurricane Hoppers Participation/Parental Consent Form

I give my permission for (Students Name) _____ to participate in Hurricane Hoppers.
