# School Leadership Team

## August Agenda

- **Kindergarten**- Staggered entry went well, classes have been formed and our new kindergartners will start Friday 9.1.17. New teachers are settling in and excited to be here.
- **1<sup>st</sup> Grade**- n/a
- **2<sup>nd</sup> Grade**- All excited to be out as a big mobile family and our new team members are great. Building relationships and gearing up for CogAT and Reading 3-D testing.
- **3<sup>rd</sup> Grade**- Began this first week with growth mindset and setting up classroom procedures/rules. Reading 3-D, BOG and MAPS will all be starting up soon.
- **4<sup>th</sup> Grade**- n/a
- **5<sup>th</sup> Grade**- Students are settling in great and really starting out strong with setting up science notebooks and hitting the vocabulary hard. Working on growth mindsets as well.
- **EC**- Schedules have been set up and teachers will begin working with students next week!
- **ESL-W-APT** testing begins in the next few days and working on getting schedules set up.
- **TD/Magnet**- CogAT will be on 9.6-8, and working on getting schedules set up. We are magnetizing the whole school, beginning with Multiple Intelligences.
- **Special Area**-Music- dates have been set for musicals- 12.5 and 4.19- Art- getting to know students and working on ASC grant because stipulations have changed. More grade-level type projects. PE- Kids learning routines and expectations. Technology- both our labs are on carts now and running smoothly. Media- the book fair and reading night planning are in full swing. Any one wanting to plan Fire-Side read night due to Mrs. Ray and Mrs. Taylor being unavailable please see Mrs. Ray. STEM Lab- New teacher will begin Sept. 14<sup>th</sup>.
- Support- n/a
- **ILT**- Reading 3-D starts next week, LetterLand materials have been distributed and new classroom libraries set up.
- **PTA**- n/a

### Next Meeting-

September 14<sup>th</sup> 2017

SLT members will review the draft of the SIP

- Staff members will review the SIP with grade level and department teams to:
  - ✓ Discuss growth goals in subject areas
  - ✓ Identify strategies that are working or not working
  - ✓ List and describe any new resources that are being utilized
- SLT will edit and revise the plan, as needed
