

**At the start of the 2022-23 school year, CMS will open a new elementary school which will provide relief for Bain, Lebanon Road, Piney Grove, Crown Point and Matthews elementary schools. Some families in each of these schools will experience a change in assignment beginning with the 2022-23 school year.**

The new elementary school is located at 11615 Idlewild Road Matthews, NC 28105 (on existing Mint Hill Middle School campus). The Board will vote on the new school's attendance area in June or July of 2021. The Office of Student Assignment and School Choice seeks your feedback on each of three boundary scenarios below.

Full information about each scenario, including a recorded webinar, and an opportunity to share your feedback via survey can be found on the CMS website at <https://www.cms.k12.nc.us/cmsdepartments/StudentPlacement/PlanningServices/Pages/Planning.aspx> under New Southeast Elementary Relief School.
