What should we expect?

Our core purpose has not changed. As always we aim to provide your child with quality education within a safe learning environment. However, accomplishing this will look different this year.

- ❑ Your student will be in the classroom with their teachers and peers, but some students and all teachers will be wearing face coverings and social distancing
- ❑ Your student will have lunch and recess/physical activity, but maybe in a different location on campus
- ❑ Your student will participate in special and electives, but location and presentation may vary
- ❑ Arrival and dismissal will follow traditional bell schedules, but there will be different procedures (screening, temperature checks, social distancing)

How do we get ready?

- ❑ Provide updated contact information
 - ❑ if you need to change your address, contact you school or [click here](#) for more information
- ❑ Be sure medication forms, dietary restrictions, action plans are provided to school
 - ❑ if you need these forms, contact your school or [click here](#) for more information
- ❑ Check with your teacher regarding school specific information
 - ❑ Arrival and dismissal procedures
 - ❑ Bell schedule
 - ❑ Supply list
- ❑ Know how your student is getting to and from school
 - ❑ Contact school regarding transportation questions

How do we get ready?

- ❑ Prepare your child for what to expect
 - ❑ Resources
 - ❑ [Riding the bus](#)
 - ❑ [Social distancing](#)
 - ❑ [Face Coverings](#)

What if my student is sick?

If your student is exhibiting any symptoms, including a fever of 100.4 or higher, do not bring your student to school.

- ❑ Prior to entering any CMS building, all students must complete a health screening process to reduce the risk of COVID-19 exposure.
- ❑ The health screening process consists of two parts:
 - 1) a symptoms screening checklist/questionnaire and
 - 2) an on-site temperature check
- ❑ Students entering CMS buildings are encouraged to wear a face covering. If your student arrives without a face mask, disposable masks will be available. Students with disabilities are not **REQUIRED** to wear a mask.
- ❑ If your student is not cleared to enter through the screening process and parent/guardian is not present to take the student home, your student will be taken to the COVID-19 isolation room.

What if I have questions?

Communication is key!

- Talk with your teacher
- Talk with your Principal
- Talk with your Learning Community
