### IV. Approval of last meeting's minutes

### V. Old Business

Discussed how we assessed the 12 indicators and which ones will be a focus for this school year.

### VI. Indicators to Assess-Create-Monitor

***Indicators Assessed***

***Objectives Planned For***

**Monitor (updates made)**

**VII. Other Business**

Title IX: Mr. Parkins is our Title IX coordinator/contact. Any issues/concerns brought to us are investigated and dealt with in a timely manner. If it requires further attention, it is then lifted to the appropriate contact in the district.

School Bond: MILA is affected with this year's bond for a new gym and specialist classrooms. Encourage families to get out and vote. The school bond impacts all of us. There will be a representative tonight at our Family Game Night to speak families and answer questions they may have.

Discussion about our school grade and the letter that went home to parents on Oct. 13, 2017.

Ms. Branham explained the difference with growth and proficiency emphasizing that scholars met growth. The last time school met growth was in 2012. Ms. Branham discussed the programs/supports that are in place this year.

**Action Taken:**

North Star Reading, Extended Day, MILA's focus of unpacking the standards

Parents asked about ways to support our scholars and what resources can we get to parents to support reading.

Ms. Branham showed parents how to access Indistar and reviewed the 3 indicators that we will focus on for the school year. They are as followed:

1. Teachers employ effective classroom management and reinforce classroom rules and procedures by positively teaching them.
2. Instructional teams develop standards-aligned units of instruction for each subject and grade level.
3. School develops and implements consistent, intentional, and on-going plans to support student transitions from grade-to-grade and level-to level.
