AGENDA

Attendees: Staff: June, Sears, Lockhart, Slater, Oboyle

Parents: R. Buie, S. Roberson, A. Starkey, Waters

- I. Title IX video: Showed the video and asked if anyone had questions. Parents wanted to know if this video was on our website. If not, Ms. Slater would upload video to our school website
- II. SIP Guest Login: Parents were given the guest login information/website. Also, showed them how to navigate through the site (NC Star). Parents were able to see what the plan looks like from their end.
- III. Board Meeting-Sears explained the process of needing parents to back her on exiting students from the school. She explained the reason behind why she needed their support. Ex; some students do not want to be here and would rather attend their homeschool. The only way we can exit students through the arts. Sears is going to board to see if this could be changed. Also, some parents want to look at changing the magnet compact. Sears will speak with Earnest to get his insight as well.
- IV. SIP Vote: Board voted on plan.
- V. Next SLT Meeting, Monday, November 4 @ 8am in the Media Center
