2022-2023 Supply List

5th Grade

Welcome to a new school year! We have included the necessary supplies for the year along with links to the supplies on Amazon. You do not need to purchase supplies through Amazon, but if you choose to buy the AVID Binder supplies somewhere other than Amazon, please make sure they are the same supplies as seen here. We have very specific needs this year in order for everything to be color-coordinated and fit properly into our AVID binders. The AVID binders will be created for the students to help with organizational skills along with college and career readiness. If you have any questions, please reach out to your child's teacher at the email address listed below. We can't wait to get started! :-)
