What is a Title I school?

Title I is the largest federally funded educational program. A Title I school is a school receiving federal funds for students. The basic principle of Title I is that schools with large concentrations of low-income students receive supplemental funds to meet students' educational goals.

What does it mean to be a Title I School?

- Being a Title I school means receiving federal funding (Title I dollars) to supplement the school's existing programs. These dollars are used for the following:
 - Identifying students experiencing academic difficulties and providing timely assistance to help students meet the state's challenging content standards.
 - Purchasing supplemental staff/programs/materials/supplies
 - Conducting parent and family engagement meetings/trainings/activities
 - Recruiting/Hiring/Retaining Highly-Qualified Teachers
 - Being a Title I school also means encouraging ongoing parent and family engagement and advocating for parents' rights
-

What is the 1% set-aside and how are parents involved?

- Any Local Education Agency (LEA) or school district with a Title I Allocation exceeding \$500,000 is required by law to set aside 1% of the Title I allocation for parent and family engagement.
 - Of that 1%, 10% may be reserved at the LEA/district level for system-wide initiatives related to parent and family engagement. The remaining 90% must be allocated to all Title I schools in the district. In CMS, each Title I school receives its portion of the 90% to implement school-level parent and family engagement activities and events
 - Title I parents have the right to provide input into decisions regarding how this money is spent. This process is completed through the School Improvement Team (SIT)
-

What is the School Improvement Plan/NCStar Plan?

- The School Improvement Plan (SIP) is created in an online platform called NCStar and includes:
 - A Comprehensive Needs Assessment
 - Goals and Strategies to Address Academic Needs of Students
 - Professional Development Needs
 - Coordination of Resources and Comprehensive Budget
 - The School's Parent and Family Engagement Goals
 - Parents of students at Title I schools have the right to be engaged in the development of this plan
-

What is included in the School's Parent and Family Engagement Policy?

- This policy addresses how the school will implement the parent and family engagement requirements of the *Every Student Succeeds Act (ESSA)*. Components include the following:
 - How parents can be engaged in decision-making and activities
 - How parent and family engagement funds are being used
 - How information and training will be provided to parents
 - How the school will build capacity in parents and staff for strong parent and family engagement
 - Parents of students at Title I schools have the right to be engaged in the development of the school's Parent and Family Engagement Policy
-

What is the School Compact?

- The compact is a commitment from the school, the parent/family, and the student, to share in the responsibility for improved academic achievement
 - Parents and families of students in Title I schools have the right to be involved in the revision/review of the School Compact
