

P.S.E. Parent Education Session

(Adults Only – No Children Please)

DESSERTS

When you look at the word Desserts backwards you get “stressed.” We all love desserts, but not the feeling we may feel when we are juggling work, kids, friends, family, and more.

Does this sound familiar? If so, then this parent session is perfect for you! Come and ask a panel of professionals for advice, suggestions, or just come enjoy some good desserts. Submit your questions in advanced for our guest panel to answer. All questions will be kept confidential. **RSVP required by Wednesday, March 19, 2014 in order to attend.**
