Current 8th Grade

Parents of current 8th graders and rising 9th graders, please join us during the Feb. 11 Community Night for an info session detailing the upcoming 8th Grade End of Year events and the upcoming transition to high school. *5:30-6:30 in C5*

Rising 8th grade

This session is designed for families of current seventh grade students as you begin to prepare for the transition to eighth grade. We will provide an update on our school design plan, explain the organization of the grade level, and provide an introduction to special eighth grade events such as the end-of-year field trip, the eighth grade social, and the promotion ceremony. *5:30-6:30 in Multi Purpose Room*

Rising 7th Grade

This session is designed for families of current sixth grade students as you begin to prepare for the transition to seventh grade. Topics will include the transition away from "teams" to a grade level organization based on content area. We will discuss our school design plan, including an introduction to "Humanities" and the roles of Multi-Classroom Leaders. We encourage families to attend this session to understand our seventh grade philosophy before we begin conversations about course selection later this Spring. *5:30-6:30 in B15*

Instructional Simulation

In this session, you will participate in a variation of an instructional protocol promoting academic conversations similar to protocols your student participates in during class. Academic conversations offer students a chance to negotiate meaning, learn content vocabulary, and extend their understanding of topic or text. *5:00 OR 6:30 in Media Center*
