What are we Learning?

Literacy: Module 2! In this module, students will use literacy skills to become experts-people who use reading, writing, listening and speaking skills to build and share deep knowledge about a topic. With a focus on FROGS!

Math: Students will use strategies and properties to add and subtract fluently with 1,000.

Science: Students will learn that a solar system includes stars, planets and other objects. Earth and other planets and objects rotate on its axis and revolve around the Sun.

Social Studies: 3rd Graders will have the opportunity to explore a market economy by understanding the laws of supply and demand.

UPCOMING!

12/1 & 12/4: BOG for in-person students
12/21: End of Quarter 2
12/22-1/5: **Winter Break (No School)**

Reminders: Please log onto Zoom! everyday by 8:00am.
