10:10 Literacy (EL)  
10:40 Lunch/Break  
11:30 Independent work/Small group

## Notes from the teachers:

\*Please remember to be in zoom daily by 8:15  
\*Learning doesn't stop after lunch: Please complete independent work listed on canvas schedule  
\*Please let your teacher know if your contact information has changed

## UPCOMING:

September 7th: NO SCHOOL  
September 28th: Teacher Workday

## What we are learning:

**Literacy:** In Unit 1, we will be reading about students that overcome literary challenges. We will be exploring different school settings and characters throughout a variety of text. We will also be identifying the central message and gist of text. Be sure to log into SORA or EPIC to practice reading strategies.

**Math:** We have began our multiplication and division unit. Students will practice solving word problems using strategies. Continue to work through the modules during asynchronous time for practice and understanding.

**Social Studies:** We are exploring our own culture as well as comparing and contrasting different cultures.

## Reminders:

Please check class tag daily for important messages!
