

# Kindergarten Newsletter–October 2020

## **Literacy Curriculum:** Continue Module 1 Unit 3 Toys and Play

We will begin to focus on toy preferences and how they differ from others. We will look at toys from long ago and today and compare and contrast them. We will discuss how imagination is an important part of playing. Continue to practice letters and sounds. We will also introduce more sight words and will send a sight word list to parents.

**Math :** Identify numbers 0-15, continue learning about greater than, less than and equal to, count to 35.

**Science/Social Studies:** We will be learning the pumpkin life cycle, animals/insects, seasons and weather.

## **Dates To Remember**

- Monday, September 28th - no school Teacher Work Day
- Friday, October 16th - Quarter 1 ends
