

Kindergarten Newsletter–September 2020

Literacy Curriculum: Continue Module 1 Unit 1 Toys and Play

We will begin to discuss reading behaviors and expectations. We will also start to look at the alphabet and identify letter names and sounds. We will introduce sight words as words we will see and read often, just like our own name!

Math : Identify numbers 0-5, explore math manipulatives, count to 25.

Science/Social Studies: In Social Studies we will learn and practice classroom rules and how to be a good citizen. In Science we will learn about what science is, how to explore it using their five senses, and how to use a few basic science tools.

Dates To Remember

- Monday 7, 2020 - Labor Day NO SCHOOL

Sight Words: a all and are at be but by do for from has have
he her his I if in it is like not no of on one or
said see she the then we were what when will with
