Important Reminders

Please note that this schedule is subject to change due to needs that may arise due to testing. Teachers will be notified as frequently and as soon as possible when changes occur; however, patience will be required. When you are finished testing, please call the front office for a support staff member to pick up your testing materials. ***If all scholars finish their testing early, scholars are to engage in a content based activity for the remaining of the testing blocks. Scholars are not to sit idle or have free time as this will lead to a disruption to other testing environments.***

Grade level leaders will determine the schedule after testing for each grade level.

Lunch - Select 2 scholars to retrieve bag lunches. They MUST have the roster in order to pick up lunches. Trash bags will be provided. Please place all trash in bags and sit the bags outside your classroom door. Do NOT transport your trash bag anywhere; our custodial team will pick up the trash bags.

Enrichment/EC Testing Support

To ensure that we truly “practice how we play the game,” Enrichment and EC teachers will be pulling small groups for their accommodations each testing day.

Enrichment Relief Schedule

Enrichment teachers should report to the room of their assignment teacher/grade level below when “Enrichment” is listed on the schedule above. If your relief does not arrive on time, please notify your GLL.
