All school-age children are encouraged to be taught the following information and skills with their parents.

1. Who are the safe adults in my neighborhood and community?
2. What do I do if I feel unsafe?
3. Where do I go if I need help?
4. How do I get help in a safe way?
5. What do I do if there is an emergency and my family is not available?
6. What are the safe phone numbers and resources available to me?
