 - Mr. Elliott shared that it is clear.
- General
 - Ms. Gilmore requested that we ask for headphones from parents for MAP testing.
 - Ms. Gilmore is still waiting on supplies for sensory pathways from Donors Choose. Once materials are in, it may be helpful to have parent volunteers to help install the pathways.

- Cell phones - students have been able to have their cell phones out at dismissal. That will no longer be allowed when we return from break. It had been allowed due to late buses and changes to dismissal. Now that buses are on time, and concerns over potential bullying, we will no longer allow students to have their cell phones out.
