### On Our Honor (READ THIS CAREFULLY BEFORE SIGNING)

By completing this application, my parents and I understand that I am making a commitment to the yearbook staff and will be responsible to learn academic skills, as well as apply them to the production of the yearbook. Evaluation of all students will be made not only on the mastery of skills, but also on their hands-on application. Yearbook will be offered during 9<sup>th</sup> block (year-long) and I understand that, by taking yearbook, I will not be able to participate in any other 9<sup>th</sup> block class. **I also know that time outside of class must be devoted to accomplish the tasks and that the adviser must be able to request that extra time in order to meet deadlines. This includes time after school taking pictures of different school events.** By signing this application, we all agree to that extra time commitment.
