

# PowerSchool Registration Directions

## Directions for Entering Course Requests into PowerScheduler

This year parents and students will be entering their 2022-23 course requests into the “Electronic Course Card” Google Form FIRST and then into PowerSchool. Please read all information on the “Registration Process for the 2022-23 Academic Year” before selecting courses.

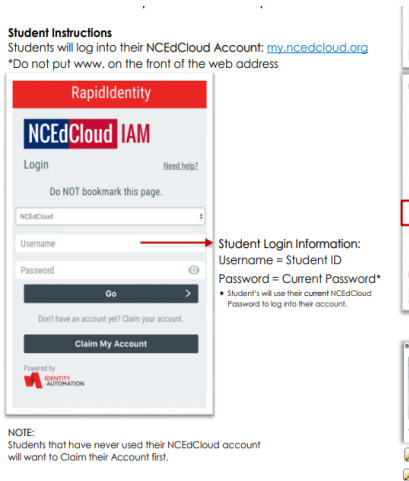

### **A Few Reminders:**

1. **It is important that your selections on PowerSchool match the “Electronic Course Card” google form selections. SCMS will use the Electronic Course Card as the final document for finalizing schedules.** If you made a mistake on the “Electronic Course Card” please do not resubmit, but email [whitneyr.matthews@cms.k12.nc.us](mailto:whitneyr.matthews@cms.k12.nc.us).
2. If you are **not zoned for SCMS** then you will not have access to PowerSchool Registration. If you are not zoned, then you will need to simply fill out the Electronic Course Card Google Form. We will enter your course requests into PowerSchool as soon you are transferred. If you have questions about how to transfer to SCMS, please contact our registrar, Diana Roulette at [diana1.roulette@cms.k12.nc.us](mailto:diana1.roulette@cms.k12.nc.us)
3. If after following all instructions and videos located on our website “Registration Process for 2022-23 Academic Year” you have questions, please contact Whitney Matthews at [whitneyr.matthews@cms.k12.nc.us](mailto:whitneyr.matthews@cms.k12.nc.us)
