

Is the **Learning Immersion/Talent Development** magnet program a fit?

Take this mini-quiz to find out!

1. Is your child eager to learn?
2. Does your child ask unusual, provocative questions?
3. Does your child read and comprehend on an advanced level?
4. Does your child like to figure out how things work?
5. Is your child an independent self-starter requiring little direction or feedback?
6. Does your child respond to the needs of others, and is your child able to see another's point of view?
7. Does your child adapt readily to new situations and changes?
8. Does your child generate unique or creative ideas to solve a problem or an issue?

Thank you for taking the time to complete the survey!

If you answered "Yes" to at least five of the questions listed above, then the **Learning Immersion/Talent Development** magnet program may be an ideal fit for your child! Click [here](#) to learn more about the program.

...Additional questions for parents to consider before applying:

1. Am I willing to partner with the school to provide and receive information about my child to help my child be successful?
2. Am I able to support my child at home, by monitoring the assignments and homework required in an accelerated program?
3. Am I willing to commit the time to discuss all areas suggested by the magnet school staff about the school's learning opportunities in order to develop my child's abilities at the highest level possible?
4. Am I willing to consistently work with my child at home to prepare my child for the rigor and challenges of an accelerated program?
5. Can I commit to helping motivate and encourage my child to complete quality work and keep a positive attitude?
6. Do I understand that by enrolling my child in this program, my child will be held to high expectations necessary to provide the exciting but challenging work, by highly qualified and experienced teachers?
